

(1) Deducting from the assistance that would otherwise be provided to the family of the individual an amount equal to not less than 25 percent of the amount of such assistance; or

(2) Denying the family any assistance under the program.

§ 264.31 What happens if a State does not comply with the IV-D sanction requirement?

(a)(1) If we find that, for a fiscal year, the State IV-A agency did not enforce the penalties against recipients required under § 264.30(c), we will reduce the SFAG payable for the next fiscal year by one percent of the adjusted SFAG.

(2) Upon a finding for a second fiscal year, we will reduce the SFAG by two percent of the adjusted SFAG for the following year.

(3) A third or subsequent finding will result in the maximum penalty of five percent.

(b) We will not impose a penalty if:

(1) The State demonstrates to our satisfaction that it had reasonable cause pursuant to § 262.5 of this chapter; or

(2) The State achieves compliance under a corrective compliance plan pursuant to § 262.6 of this chapter.

§ 264.40 What happens if a State does not repay a Federal loan?

(a) If a State fails to repay the amount of principal and interest due at any point under a loan agreement developed pursuant to section 406 of the Act:

(1) The entire outstanding loan balance, plus all accumulated interest, becomes due and payable immediately; and

(2) We will reduce the SFAG payable for the immediately succeeding fiscal year quarter by the outstanding loan amount plus interest.

(b) Neither the reasonable cause provisions at § 262.5 of this chapter nor the corrective compliance plan provisions at § 262.6 of this chapter apply when a State fails to repay a Federal loan.

§ 264.50 What happens if, in a fiscal year, a State does not expend, with its own funds, an amount equal to the reduction to the adjusted SFAG resulting from a penalty?

(a)(1) When we withhold Federal TANF funds from a State during a fiscal year because of other penalty actions listed at § 262.1 of this chapter, the State must replace these Federal TANF funds with State funds during the subsequent fiscal year.

(2) If the State fails to replace funds during the subsequent year, then we will assess an additional penalty of no more than two percent of the adjusted SFAG during the year that follows the subsequent year.

(b) A State must expend such replacement funds under its TANF program, not under “separate State programs.”

(c) We will assess a penalty of no more than two percent of the adjusted SFAG plus the amount equal to the difference between the amount the State was required to expend and the amount it actually expended in the fiscal year.

(1) We will assess the maximum penalty amount if the State made no additional expenditures to compensate for the reductions to its adjusted SFAG resulting from penalties.

(2) We will reduce the percentage portion of the penalty if the State has expended some of the amount required. In such case, we will calculate the applicable percentage portion of the penalty by multiplying the percentage of the required expenditures that the State failed to make in the fiscal year by two percent.

(d) The reasonable cause and corrective compliance plan provisions at §§ 262.5 and 262.6 of this chapter do not apply to this penalty.

Subpart B—What Are the Requirements for the Contingency Fund?

§ 264.70 What makes a State eligible to receive a provisional payment of contingency funds?

(a) In order to receive a provisional payment of contingency funds, a State must:

§ 264.71

(1) Be a needy State, as defined in § 260.30 of this chapter; and

(2) Submit to ACF a request for contingency funds for an eligible month (i.e., a month in which a State is a needy State).

(b) A determination that a State is a needy State for a month makes that State eligible to receive a provisional payment of contingency funds for two consecutive months.

(c) Only the 50 States and the District of Columbia may receive contingency funds. Territories and Tribal TANF grantees are not eligible.

§ 264.71 What determines the amount of the provisional payment of contingency funds that will be made to a State?

We will make a provisional payment to a State that meets the requirements of § 264.70, within the following limits:

(a) The amount that we will pay to a State in a fiscal year will not exceed an amount equal to $\frac{1}{12}$ times 20 percent of that State's SFAG for that fiscal year, multiplied by the number of eligible months for which the State has requested contingency funds;

(b) The total amount that we will pay to all States during a fiscal year will not exceed the amount appropriated for this purpose; and

(c) We will pay contingency funds to States in the order in which we receive requests for such payments.

§ 264.72 What requirements are imposed on a State if it receives contingency funds?

(a)(1) A State must meet a Contingency Fund MOE level of 100 percent of historic State expenditures for FY 1994.

(2) A State must exceed the Contingency Fund MOE level to keep any of the contingency funds that it received. It may be able to retain a portion of the amount of contingency funds that match countable State expenditures, as defined in § 264.0, that are in excess of the State's Contingency Fund MOE level, after the overall adjustment required by section 403(b)(6)(C) of the Act.

(b) A State must complete an annual reconciliation, in accordance with § 264.73, in order to determine how much, if any, of the contingency funds

45 CFR Ch. II (10–1–00 Edition)

that it received in a fiscal year it may retain.

(c) If required to remit funds under the annual reconciliation, a State must remit all (or a portion) of the funds paid to it for a fiscal year within one year after it has failed to meet either the Food Stamp trigger or the Unemployment trigger, as defined in § 264.0, for three consecutive months.

(d) A State must expend contingency funds in the fiscal year in which they are awarded.

(e) A State may not transfer contingency funds to the Discretionary Fund of the CCDF or the SSBG.

(f) A State must follow the restrictions and prohibitions in effect for Federal TANF funds, including the provisions of § 263.11 of this chapter, in its use of contingency funds.

§ 264.73 What is an annual reconciliation?

(a) The annual reconciliation involves the calculation, for a fiscal year, of:

(1) The amount of a State's qualifying expenditures;

(2) The amount by which a State's countable State expenditures, as defined in § 264.0, exceed the State's required Contingency Fund MOE level; and

(3) The amount of contingency funds that the State may retain or must remit.

(b) If a State exceeded its required Contingency Fund MOE level, it may be able to retain some or all of the contingency funds that it received.

(c) A State determines the amount of contingency funds that it may retain by performing the following calculations:

(1) From the lesser of the following two amounts:

(i) The amount of contingency funds paid to it during the fiscal year; or

(ii) Its countable State expenditures, as defined in § 264.0, minus its required Contingency Fund MOE level, multiplied by:

(A) The State's Federal Medical Assistance Percentage (FMAP) applicable for the fiscal year for which funds were awarded; and
